- Tools: Javascript, React, CSS, HTML, PostgreSQL, APIs, Socket.io, Multer, Express, Nodejs,

EXPERIENCE

Masterworks | Outbound Financial Advisor | New York, NY June 2024 - Dec 2024

- Provided tailored investment consultations to high-net-worth and accredited clients, translating complex art market data into actionable portfolio strategies.
- Secured 14 allocation strategies, nine closed sales, ~\$200,000 in investment, and an estimated \$1,000,000 in life-time value for Masterworks
- Advised on order allocation, client onboarding, and trade lifecycle communications between front and back office.
- Ranked top performer among 15+ advisors by consistently exceeding KPIs through consultative sales and product knowledge.

The Lawyer James | Customer Success Manager | New York, NY Jan 2022 - June 2024

- Built and maintained relationships with B2B prospects in corporate and real estate, identifying alignment between client needs and our services, resulting in upwards of \$2,000,000 dollars in increased revenue
- Initiated and scaled a customer success program—driving 100+ Google reviews and improving SEO performance by 25%, enhancing digital engagement and lead conversion.

Wow Payments | Solutions Engineer Intern | New York, NY July 2023 - August 2023

- Sold point-of-sale payment software systems to a large portfolio of Spanish and English-speaking B2B prospects resulting in 4 closed deals generating ~\$3000 of dollars in monthly recurring revenue
- Managed lead generation, qualification, nurturing, and closes for a geographic sales territory spanning 15 NYC square miles via door to door outreach, and email/telemarketing
- Acted as a technical liaison, communicating integration needs between clients and the development team to enhance onboarding.
